The Florida Department of Transportation (FDOT) is conducting an engineering and environmental study, called a Project Development & Environment (PD&E) study, regarding the future of the Anna Maria Island Bridge on State Road 64 in Manatee County, Florida. To ensure that FDOT understands your concerns early in the study, please complete the following survey (one per household, please). Providing information through this survey does not represent your endorsement of the project. We would like your input as we begin this important bridge study!
